

APPLICATION INSTRUCTIONS FOR PHARMACIST APPLYING BY RECIPROCITY
Application fee: \$300

Reciprocity: This application is for Pharmacists who have a primary license earned by Naplex exam in another state. It is also for recent graduate Pharmacists who did not score transfer their Naplex score to Arizona within the 90 day transfer period.

You must be a US citizen, permanent resident (green card), or have a valid US passport. Non-immigrant visa holders (H1-B etc.) should contact the Board before applying for licensure!

The license to be reciprocated must have been obtained by examination (a primary license by Naplex exam) and must be open in good standing in your original state of licensure. If it is not current and in good standing at this time DO NOT APPLY FOR LICENSURE. Please contact the state where you hold your primary license and find out what needs to be done to bring it current.

Arizona will reciprocate a license from Florida obtained by NAPLEX, NABPLEX or the 5-part NABP pharmacist license examination taken after June 1, 1981. California license holders should contact the Board first, prior to applying for licensure.

Foreign graduates must have the following requirements: FPGEC Certification and 1500 intern hours earned in the United States. You must send in a photocopy of your FPGEC certificate for validation purposes. DO NOT SEND THE ORIGINAL!

NOTE: It is advisable to have information related to your license, such as pharmacy school, date of graduation, intern hours, and pharmacist license numbers handy prior to beginning the online application. If you are searching for the information while completing the online application, it may time out before you find your information and you will have to start again!

**If you are unable to meet the above requirements,
do not continue the application process.**

Please contact Valerie Suwinski at vsuwinski@azpharmacy.gov.

**Application fees are NOT REFUNDABLE!
Be sure you have selected the correct application type!**

Remember to download the Reciprocity requirement documents PDF before you complete your application.
